

# ARIZONA ANTELOPE FOUNDATION WILLIAMS—US 89 FENCE REMOVAL

**AUGUST 6, 2022**

**Project Location:** We will be working approximately 2 miles south of Ash Fork removing an ADOT right-of-way fence adjacent to US 89. The project location is between mileposts 358.4 and 362.

**Project Begins:** Saturday August 6, 2022. Please be at camp by 8:00 AM. This is a one-day project for all attendees.

**Project Activity:** We will be removing approximately 3 miles of US 89 right-of-way fence.

**Pronghorn Benefits:** This fence project includes two areas where the existing ROW fence has been pulled back from US 89 on both sides of the roadway. Pronghorn GPS data has identified US 89 as a barrier to pronghorn movement and studies have shown that pulling back the ROW fence may reestablish this pronghorn migration corridor.

**What to Bring:** Work gloves (the AAF will have a limited supply), sunscreen, snacks, water, personal gear, and orange safety vest (if you have one, otherwise one will be provided).

**Meals:** Please provide your own lunch and water to eat and drink in the field on Saturday. The AAF will provide dinner for all volunteers on Friday and Saturday nights, and continental breakfasts on Saturday and Sunday mornings.

**Contact:** Please register online by **Monday August 1st** so we can plan to have enough food and tools for everyone. The direct link to register online for this project is <https://azantelope.org/event->. You may also **RSVP** to [info@azantelope.org](mailto:info@azantelope.org) or call 480-702-1045.

## Directions to Camp:

AAF campsite will be about 3.5 miles northwest of downtown Williams and north of I-40. The GPS coordinates are: 35.259709, 112.251297

- Take I-40 to Exit 161
- head north for ~2.1 miles on the paved frontage road, which becomes Country Club Rd (you'll pass the golf course)
- when Country Club Rd turns to dirt and becomes road 124, drive 0.7 miles on 124 to FR 15
- Take FR15 west for 0.4 miles to campsite
